□ Re-inventing Japan: time, space, nation / Tessa Morris-Suzuki, M.E. Sharpe c1998 Japan in the modern world
→ In today's "liquid", globalized society, it makes more sense to ask "how Japanese define Japan?" than to still ponder on "what Japan is?" This classic book of Japanese Studies analyses the way Japanese people have defined, over the modern period, such fundamental concepts as "nation," "Japan," "nature," "culture," "race," "gender," "civilization," "globalization," and "citizenship."
